General Info Day for the Horizon Europe (Hybrid Event) Erzurum, 20 September 2021

We have the honour to invite you to our **General Info Day on Horizon Europe** organised by the Scientific and Technological Research Council of Turkey (TÜBİTAK) under the “Turkey in Horizon 2020 Phase II” Technical Assistance Project which is co-financed by the EU and the Republic of Turkey and implemented by the Republic of Turkey Ministry of Industry and Technology within the scope of Competitive Sectors Programme.

General Info Day is an introductory event targeting potential participants in Horizon Europe framework programme with little or no experience, as well as more experienced researchers that are eager and enthusiastic to comprehend the new **Horizon Europe Framework Programme. The Info Day will provide information you need to know about the EU research and innovation programme and projects.** The event will cover significant policy aspects of Horizon Europe: Strategic Plan & Work Programmes, as well as important practical approaches to participation: Calls for proposals, new Proposal Templates, and how to join EU research collaboration. Case studies will be also presented of success and failure stories.

The sessions are structured in such a way to help attendees grasp the fundamental concepts of Horizon Europe Programme and its support documents and in order participants to benefit from the programme. The content is enriched with presentations, curated literature from the EU, and useful templates.

The event will be held in Hotel Sway Hotel in Erzurum on 20 September 2021, commencing with registration at 09:45 and ending at 16:30.

Registration: You can pre-register for our event from the following link:
